Empowering lives through:

- Education
- Skill Development
- Sustainable Livelihoods

Parivartan Trust is a registered charitable trust based in Varanasi.

- Established in the year 2008, with the mission to transform the lives of underserved communities
- “Parivartan” means “change” in Hindi—and that is precisely what the Trust works toward: systemic, sustainable change for communities in need.

Core Objectives of Parivartan Trust

- To support free and inclusive education for children from low-income families.
- To provide vocational training that leads to meaningful employment.
- To ensure employee welfare, including healthcare and nutrition, for the dedicated staff involved in these efforts.
- To promote equality, empowerment, and dignity through long-term, grassroots interventions.

LET'S WORK TOGETHER TO ENSURE THAT EVERY CHILD HAS A CHANCE TO LEARN, GROW, AND THRIVE!

Learn for Life Empowerment Project – Summary

WE BELIEVE THAT TRUE EMPOWERMENT COMES FROM CONNECTING EDUCATION WITH MEANINGFUL EMPLOYMENT.

The project consists of three interconnected entities:

1. Brown Bread Bakery – A social enterprise that provides employment and vocational training.
2. Learn for Life Education – Offers free academic education to underprivileged children.
3. Parivartan Trust – A charitable trust that manages welfare programs, school staff salaries, and educational initiatives.

Together, these entities support:

- Free education from preschool through Grade 8 (152 students currently enrolled). From Grade 9 – 12, students are sponsored to study at nearby reputable schools.
- Vocational training in bakery, hospitality, tailoring, and tourism (33 trainees).
- Job placement assistance to create sustainable livelihoods.
